

Stillwater Junior High School (Math & Reading) Summer School Program

Stillwater Junior High School will offer a summer intervention program in the areas of math and reading. The program is designed to assist students who need additional help in these academic areas along with extended learning opportunities for students who did not earn a passing grade in one or more core classes.

The summer school program will be held at Stillwater Junior High. **Students will have access to a free breakfast (7:30 to 8:30) and lunch (11:30 to 1:30) provided at Will Rogers Elementary.** Bus riders will be transported to Will Rogers for breakfast and then taken to the Junior High. Each day they will be transported back to Will Rogers for lunch and then ride the bus home. Stillwater Middle School and Junior High School teachers will provide the instruction for the summer school program. Transportation is available for students who attend both the reading and math courses.

Application to attend summer school must be turned in at the Stillwater Junior High School front office by Wednesday, May 22nd to reserve a spot in the program. The program is available for those students who will be in 8th or 9th grade for 2019-20. Space is limited.

**Dates: Monday – Thursday (No school on July 4th)
June 17th - July 11th**

Reading - 8:30 – 10:00 a.m.

- Reading – focus will be on helping students with basic reading skills including comprehension, vocabulary, etc.

Math – 10:00 – 11:30 a.m.

- Math - focus will be on helping students enhance their math skills.

Please do not submit the application for the program if you are not able to make a commitment to attend all days.

There is no cost to this program although all students will be expected to be active participants and follow the rules and expectations of the instructor as well as policies outlined in the Stillwater Junior High School handbook. Those who fail to follow these expectations and / or the rules of the classroom teacher will be dismissed from the program.
