**Ahoy Mate!** We're setting sail for Day Camp 2017! Don't get *tide* down on a mundane summer. Catch the *trade winds* and *sail away* at Girl Scout Day Camp. Discover fun during the day but stay *anchored* as you return home each night. Dream about life under the sea as you explore the nautical world. Come out of your *shell* as you meet new friends. *Seas* the day, your summer will thank you!

With Day Camp it is all about building your skills. Whether you are a newcomer or a lifelong camper, Day Camp is for you. We teach the first essential skills: building fires, preparing a campsite, setting up a tent, and learning to work as a team. Each year your confidence will soar and your abilities will reach new heights through activities designed just for you.

**Make sure to pick a t-shirt size during registration. Volunteers enter promo code: volunteer17 to make your portion free. Discounts cannot be applied after payment is complete. Visit [GSEOK.org](http://GSEOK.org) to register.**
