Dear SJHS Parents and Guardians,

We are looking forward to an awesome 2023-2024 school year! In accordance with the Every Student Succeeds Act/Parents' Right-to-Know, Stillwater Public Schools wants you to know that you have the right to request the following information about your child's teachers. Stillwater Public Schools will provide the following information upon request:

- Whether the teacher has met state qualification and licensing criteria for the grade level and subject areas taught;
- Whether the teacher is teaching under emergency or temporary status in which the state qualifications and licensing criteria are waived;
- The teacher's baccalaureate degree major, graduate certification, and field of discipline; and
- Whether the student is provided services by paraprofessionals, and if so, their qualifications.

In addition to the above information, you will be notified if your student has been taught for four or more consecutive weeks by a teacher that is not highly qualified. You will also receive information regarding any state or local educational policy regarding mandated assessments and the policy, procedure, and the rights of the parent to opt-out of assessments. If you have questions or concerns, please feel free to contact me.

Stillwater Public Schools is committed to helping every child be successful in school. Our commitment includes providing our teachers and support staff the best professional development available to assure that they are highly skilled.

Sincerely,

Crystal Szymanski, Principal
