

Stillwater High School

2021–2022

Stillwater High School is a comprehensive public high school serving grades 10-12 with an enrollment of 1,125 students on our main campus and 80 students who are enrolled at Lincoln Alternative Academy. The Stillwater Pioneer Virtual Academy is new for the 21-22 school year and houses about 70 high school students. All students, regardless of campus, graduate with a Stillwater High School diploma. Approximately 82% of seniors attend 2 or 4 year colleges and 9% attend technical schools.

Students take courses on a **4x4 Block** schedule and have the opportunity to earn 8 credits a year. Classes are 90 minutes long and the school year is divided into four nine-week terms. **AP Courses** are available for students who wish to take classes with more rigor and to prepare them for the national AP tests. In May of 2021, 151 students took 231 AP exams with a pass rate of 66%.

Juniors and Seniors have the opportunity to take classes at **Meridian Technology Center** for half of the school day.

Concurrent Enrollment is available to seniors who meet admission standards to Oklahoma State University or Northern Oklahoma College. These students may take up to 9 hours a semester and tuition will be paid for by the State Regents.
